

Dear, Zuneid

Thank you for inviting us to the mosque today. We really appreciate learning about your religion and what your everyday life looks like. Dear Zuneid

Thank you so much for welcoming us to your Mosque today. I really appreciated the time you spent showing us around and explaining things to us. During our visit, I learned about your religion called Islam. I found it fascinating when you explained that some kids our age can memorize the whole Quran and I also learned about the 5 pillars of Islam.

Thank you again for such a wonderful experience.

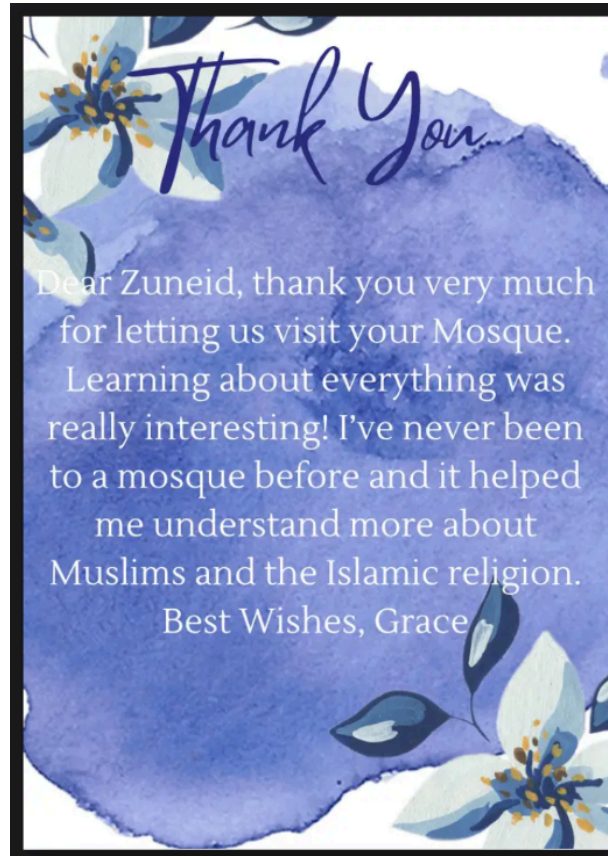

Yours sincerely

Dear Zuneid,

Thank you very much for the amazing mosque visit at the Bury Park Mosque. It was really fun and interesting. I learned lots today including the 5 pillars of Islam which I found incredibly interesting. The food was tasty and sweet and I enjoyed it very much. One part of the visit I really loved was listening to you reciting the prayer.

Thank you again for all your time.

Dear Zuneid,

Thank you so much for your time and great welcome to the Mosque. We really appreciated your tour and speech. During our visit we covered there foundations of Islam but I enjoyed when we covered the Five Pillars as it was fascinating how Allah wants a Muslim to live life in a good way. Also I liked how you give to the poor so people can have free meals as this is a very kind thing to do.

Once again thank you so for your time.

Yours sincerely

Dear Zuneid

Thank you , so much for welcoming us into our place of worship. I really enjoyed visiting the mosque I learnt so many different things about Muslims more then I can even remember. I found it very interesting when listening to the prayer and the translations of the prayer. Thank you , for telling me about the five pillars and these were :Profession of Faith (shahada). The belief that "There is no god but God, and Muhammad is the Messenger of God" is central to Islam Prayer (salat)Alms (zakat)Fasting (sawm)Pilgrimage (hajj). It made me think a lot more about everybody is equal and free.

Thank you , again for such a brilliant experience.

Yours Sincerely, Dexter.

Dear Zuneid,

Thank you so much for welcoming us to the Bury Park Mosque today. We really appreciated the time you spent showing us around and explaining things to us. During the visit, I learned about lots of features of the mosque. I found it fascinating when you read the Qur'an to us. I also learnt a fact, and that was the some children aged 11 can read the Qur'an in Arabic from memory. It really helped me understand more about the Arabic language and Muslims culture.

One part of the visit, I especially enjoyed was when we got to ask you questions as it made me think about Islam and how you follow it. Also I learnt a lot from that question.

Thank you again for such a wonderful experience.
Yours sincerely, Josie
